

MERITMAP INDIA PRESENTS

MAI BANUNGA GENIUS JI

Knowledge Olympiad & Grand Show

Season 1 • 2026-27 • Classes 3 to 12

Offline OMR exam in your school

School → District → State → National

Grand Show on YouTube

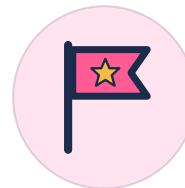

Every child has a genius inside. We give it a **stage**.

Most exams end with a mark sheet. Genius Ji goes further. It is an olympiad-style knowledge exam that begins in the child's own school and ends on a national stage, where the brightest young minds answer live questions on our Grand Show, released on YouTube.

Learn

Concept-based questions that reward understanding, not rote learning.

Compete

A fair, merit-based path from school to district, state and national level.

Shine

Medals, shields, certificates and a chance to appear on the Grand Show.

// We want to turn learning into a celebration, not pressure.

The Genius Ji journey

From the classroom to the national stage

ROUND 1

School & District

Offline OMR exam in the student's own school. Ranks declared at school and district level.

Top 10 per class, per subject, from each district move ahead

ROUND 2

State

Online exam on the MeritMap portal for all district qualifiers.

Top 5 per class, per subject, from each state move ahead

ROUND 3

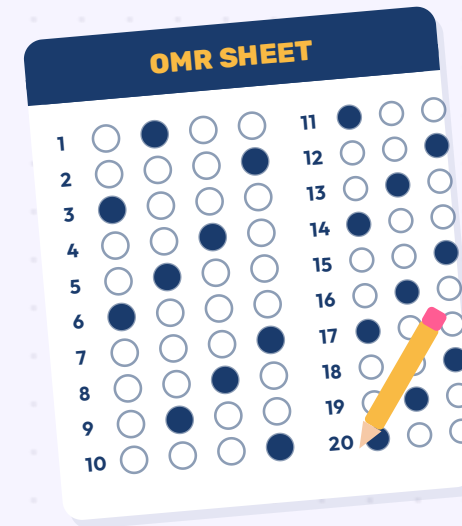

National Grand Show

State toppers compete live in our studio. Episodes are released on YouTube.

Speed Round → Scholar's Seat → Prize Ladder

Round 1: School & District

- ✓ Held at the student's own school, on a fixed date
- ✓ Paper-based exam on an OMR sheet; we supply papers and OMR sheets
- ✓ School staff invigilate; sealed answer sheets come back to us
- ✓ Machine-checked results are published on the portal
- ✓ Every student gets a school rank and a district rank

5 The 5-student rule

A class qualifies for the Class Topper award when at least 5 students of that class take part. If fewer than 5 take part, those students still compete for the School Topper award.

Exam pattern

Stage	Classes	Mathematics	Science*	Mental Ability & GK	Total Qs	Time
Preparatory	3 – 5	20	20	20	60	60 min
Middle	6 – 8	40	40	40	120	120 min
Secondary	9 – 12	40	40	40	120	120 min

- ✓ *Environmental Studies (EVS) for Classes 3–5
- ✓ Syllabus based on the NCERT and State Board curriculum of the current class
- ✓ Each subject is ranked separately, class by class
- ✓ Multiple-choice questions, one mark each, no negative marking
- ✓ Classes 11–12 take Maths or Science as per stream; MA & GK is open to all
